Christmas Events

The last two weeks have seen some truly wonderful Christmas performances and productions. My grateful thanks to children and staff who have worked so hard to ensure that audiences in school, St. Oswald's Church and the L30 Community Centre have been so richly entertained and filled with the Christmas spirit.

Santa Dash

We have already raised hundreds of pounds for the school from last Friday's Santa Dash. Please keep the sponsor money coming in next term.

Mrs. Julie Lincoln

Today is the last day at The Grange for Mrs. Julie Lincoln - one of our teachers in Class Seven. Julie has worked at our school for over 20 years. I know you will join me in wishing her well as her career develops in a new direction.

We also dis farewell to one of our Teaching Assistants - Miss Lara Pemberton. We wish her every success in her new job.

New Technology

With Christmas nearly here and with some children receiving new technology or related games, here is a quick reminder of the importance of setting up appropriate parental controls.

Games/Consoles

- Check age ratings: look at the PEGI rating of any new games.
- Remember, PEGI rates the gameplay so whilst it is important to review age ratings, you must also check to see if it has any communication elements.
- If a game does allow your child to communicate with others, then adjust or disable the settings as appropriate to your child.
- On the device itself, set up applicable controls such as restricting spending limits and managing who they can communicate with. Follow the links below to find out how to set up Parental Controls for some devices here:

Xbox: <https://www.xbox.com/en-GB/family-hub>

PS5: <https://www.playstation.com/en-gb/support/account/ps5-parental-controls-spending-limits/>

Nintendo Switch: <https://www.nintendo.co.uk/Hardware/Nintendo-Switch-Parental-Controls/Nintendo-Switch-Parental-Controls-1183145.html>

Tablets/Smart phones

Set up parental controls on the device to prevent purchases, restrict content viewed and adjust privacy settings. Furthermore, remember to check any apps your child requests to check that they are suitable for their age. Follow the links below to find out more:

iPhones/iPad: <https://support.apple.com/en-gb/105121>

Android Device: <https://support.google.com/googleplay/answer/1075738>

Why is it important?

Parental controls are important to help provide a safer experience for your child by reducing/preventing access to inappropriate content, cyberbullying, communication with strangers and restricting purchases.
