

The Grange Primary School's SEND Information Report

Meeting the Needs of Pupils with Special Educational Needs (SEN) and Disabilities (SEND)

Below is the information we are required to provide as set out in the Special Educational Needs and Disability Regulations 2014.

1. What kinds of SEND does The Grange provide for?

The Grange Primary School is a **mainstream primary school** with six **Resourced Provision Classes** which provide education for children that have an Education, Health and Care Plan (EHCP).

The **mainstream school** provides differentiated support for children with identified needs in accordance with the Special Educational Needs and Disability Code of Practice: 0 to 25 years.

There are four SEND Categories which cover a wide range of barriers to learning:

1. Communication and Interaction

- Children with speech, language and communication needs (SLCN) have difficulty in communicating with others. This may be because they have difficulty saying what they want to, understanding what is being said to them or they do not understand or use social rules of communication. The profile for every child with SLCN is different and their needs may change over time. They may have difficulty with one, some or all of the different aspects of speech, language or social communication at different times of their lives.
- Children with ASC (Autistic Spectrum Condition) are likely to have particular difficulties with social interaction. They may also experience difficulties with language, communication and imagination, which can impact on how they relate to others.

2. Cognition and learning

- Support for learning difficulties may be required when children learn at a slower pace than their peers, even with appropriate differentiation. At The Grange we support children with learning difficulties including moderate learning difficulties (MLD).
- Specific learning difficulties (SpLD), affect one or more specific aspects of learning. This encompasses a range of conditions such as dyslexia, dyscalculia and dyspraxia.

3. Social, emotional and mental health difficulties

- Children may experience a wide range of social and emotional difficulties which manifest themselves in many ways. These may include becoming withdrawn or isolated, as well as displaying challenging, disruptive or disturbing behaviour. These behaviours may reflect underlying mental health difficulties such as anxiety or depression. Other children may have disorders such as attention deficit disorder (ADD), attention deficit hyperactive disorder (ADHD) or attachment disorder.

4. Sensory and/or physical needs

- Some children require special educational provision because they have a disability which prevents or hinders them from making use of the educational facilities provided. These difficulties can be age related and may fluctuate over time. Many children with vision impairment (VI), hearing impairment (HI) will require specialist support and/or equipment to access their learning.
- Some children with a physical disability (PD) require additional ongoing support and equipment to access all the opportunities available to their peers.

Resourced Provision Classes

At The Grange we have a wealth of experience supporting children with a wide variety of Special Educational Needs, both in mainstream and within our resourced classes. There are currently six resourced provision classes within the school. All children within these classes have an Education, Health and Care Plan (EHCP). To access a place in one of our inclusion bases, please contact Sefton Council's SEN Team (0151) 9342347.

The Resourced Provision Classes are designated as follows;

Class 7 for children with Autistic Spectrum Conditions (ASC) and moderate learning difficulties. The children are EYFS and Key Stage One age.

Class 8 for children with Autistic Spectrum Conditions (ASC) and moderate learning difficulties. The children are Key Stage Two age.

Class 9 for children with Autistic Spectrum Conditions (ASC) and moderate learning difficulties. The children are Key Stage Two age.

Class 10 for children with Social, Emotional and Mental Health conditions (SEMH) who may also have moderate or specific learning difficulties. Children in Class 10 are Key Stage Two age.

Class 11 for children with Speech and Language difficulties and who are EYFS and Key Stage One age.

Class 12 for children with Speech and Language difficulties. The children are Key Stage Two age.

2. How does The Grange know if children need extra help?

We know if children need extra help if:

- Concerns are raised by parents/carers, teachers or the child
- Limited progress in being made
- There is a change in the child's behaviour or progress
- A child has an EHCP when they arrive at The Grange
- A child has been seen by other professionals and have a programme of support in place e.g. Occupational Therapy (OT)

3. What should I do if I think my child has special educational needs?

Speak to your child's class teacher in the first instance.

Subsequently you may be referred to Mrs Bold (SEND Manager) or Miss Gordon (Assistant SEND Manager) or [Miss Cass \(Assistant SENCO— currently on Maternity Leave\)](#) If you would like to arrange an appointment, you can do this at the office or by contacting school directly on (0151) 9247917.

4. How will I know how The Grange will support my child?

- Each child's education programme will be planned by the class teacher. It will be adapted according to the child's individual needs. This may include specific support by the class teacher or teaching assistant(s) in class.
- Children in mainstream that have been identified as having a SEND will have a SEN Support Plan. Parents/Carers will meet with the child's class teacher and SENCO to discuss the child's barriers to learning and the strategies that have been put in place to support these. Parents/carers will be invited to attend a review meeting each term (this meeting may be included as part of a parent consultation evening appointment)
- Provision Maps are written each term (Autumn, Spring and Summer terms) which show the general class provision and the interventions provided for specific children to reduce their barriers to learning. If your child has a SEND, a copy of their Provision Map will be sent home during the first

half of the Autumn Term (September/October). New Provision Maps will also be sent out at the start of Spring and Summer Terms.

- Some additional interventions (School led tutoring) are provided for mainstream children (years 3-6) at the end of the school day. These include support for children that have been identified by the class teacher as needing specific help in English and/or Maths. We also have additional reading support/interventions from 8.15-8.45am for mainstream children (years 1-3). These additional interventions allow continuity of provision during the school day so children are able to access the full National Curriculum.
- Pupil progress meetings are held each term. This is a meeting where the class teacher meets with the Senior Leadership team (SLT) to discuss the progress of each child in their class.
- Occasionally a child may need more specialist support from an outside agency such as a Paediatrician. A referral will be made, with your consent and forwarded to the most appropriate agency. After a series of assessments, a programme of support is usually provided to the school and parents/carers.
- The Governors are responsible for ensuring a named person is responsible for monitoring support for SEN. These are as follows:

Mrs Bold—Deputy Headteacher and SEND Manager

Mrs Rachel Griffiths – Co-opted Governor

The termly Headteacher's Report includes a section on SEND provision throughout the school and provides all Governors with information about any developments in SEND support.

5. How will the Curriculum be matched to my child's needs?

- When a child has been identified as having special educational needs, activities, resources and strategies will need to be adapted appropriately to enable them to access the curriculum more easily. Teaching assistants may be allocated to work with children 1:1 or in a small focus group to target more specific needs.
- In mainstream, if a child has been identified as having a SEND, they will be given a SEN Support Plan. Parents/Carers will meet with the child's class teacher and SENCO to discuss the child's barriers to learning and the strategies that have been put in place to support these. Parents/carers will be invited to attend a review meeting each term (this meeting may be included as part of a parent consultation evening appointment) Appropriate specialist equipment may be used to support a child's area of need e.g. writing slopes and pencil grips.

6. How will I know how my child is doing?

- You will have the opportunity to discuss your child's progress during Parent Consultation Evenings. Individual invitations will be sent out to parents/carers and a ten minute time slot will be allocated to each child.
- If you would like to make an appointment to see your child's class teacher, please contact the school office or class teacher directly.
- Appointments can also be made to speak to Mrs Bold (SEND Manager) at the school office or by ringing (0151) 9247917.
- If you have any concerns, do not hesitate to phone the school.
- Parents/Carers of children in mainstream that have a SEN Support Plan will be invited to attend a review meeting each term (this meeting may be included as part of a parent consultation appointment)
- For any children with an EHCP, an Annual Review will be held to discuss progress. You will be provided with a review report before the meeting and you will be given a parents' comments form to fill in. Where appropriate children will have a chance to express their opinions as to how they feel they are getting on at school. Other professional that have worked with your child may also attend the meeting.

7. How will you help me to support my child?

- The class teacher may suggest ways that you can support your child at home.

- Mrs Bold may meet with you to discuss how to support your child. Any outside agencies involved with your child may also provide advice which will be discussed with you and sometimes programmes will be provided.
- In mainstream, if a child has been identified as having a SEND, they will be given a SEN Support Plan. Parents/Carers will meet with the child's class teacher and SENCO to discuss the child's barriers to learning and the strategies that have been put in place to support these. The plan will be reviewed each term (Autumn, Spring and Summer term).
- For any children with an EHCP, an Annual Review will be held to discuss progress. You will be provided with a review report before the meeting and you will be given a parents' comments form to fill in. Where appropriate children will have a chance to express their opinions as to how they feel they are getting on at school. Other professional that have worked with your child may also attend the meeting.

8. What support will there be for my child's overall wellbeing?

- The Grange ethos ensures that every child is respected and cared for.
- Children are supported throughout the school day by their class team. At playtimes and lunchtimes, teaching assistants and teachers supervise and are available to address any disputes or concerns.
- Any issues that arise in school will be discussed with you by a member of the class team or our Home-School Liaison Officer, Mrs Edge.

9. How does The Grange support children with medical needs?

- If a child has a medical need that requires a detailed care plan, this will be compiled with support from the school nurse in consultation with parents/carers.
- Where necessary staff will receive training from an appropriate professional e.g. Diabetes / Epilepsy Nurse.
- Where necessary, and in agreement with parents/carers, medicines are administered in school but only where a signed medicine consent form is in place to ensure the safety of both child and staff member.
- Key persons in school have First Aid training. Key staff in Early Years Foundation Stage have Paediatric First Aid training.

10. Is my child consulted about their SEN and their education?

- All children have an input in identifying and evaluating their own learning targets. Children with additional needs may be supported with this.
- For any children in mainstream with a SEN Support Plan, a meeting with parents/carers will be held each term. Children will be asked to complete One Page Profile at the start of each academic year. This will incorporate information about the child's learning styles and give the child an opportunity to express their own feelings about their education. Where necessary, this may be scribed for the child.
- For any children with an EHCP, an Annual Review will be held to discuss progress. You will be provided with a review report before the meeting and you will be given a parents' comments form to fill in. Where appropriate children will have a chance to express their opinions as to how they feel they are getting on at school. Other professionals that have worked with your child may also attend the meeting.

11. What specialist services and available to support my child?

The agencies used by The Grange include:

SENIS

Educational Psychologist

Inclusion Consultant

School Nurse
Nurse Specialists e.g. ASC, ADHD, Diabetes and Continence
Child and Adolescent Mental Health (CAMHS)
Mental Health Support Team (MHST)
Well Young Persons
Social Services
Speech and Language Therapy
Physiotherapy
Occupational Therapy
Visual Impairment Services
Hearing Impairment Services

If you would like to be signposted to any support services for parents/carers of pupils with SEND, these can be obtained from Mrs Bold.

12. What expertise and training do staff supporting children with SEN have?

At The Grange Primary School there is a wealth of SEND expertise and qualifications throughout the staff teams. Good practice is shared and appropriate training is accessed as necessary.

Rigorous recruitment procedures ensure the most suitable staff are appointed.

Team Teach Training is provided to ensure consistent provision of our Care and Control Policy.

13. How will school prepare and support my child when joining The Grange or transferring to a new school?

- Discussion between previous or receiving settings prior to a child joining or leaving.
- All children attend at least one transition session where they spend time with their new class.
- Secondary staff visit children prior to them joining their new school and year six teachers liaise with head of year and SENCo at secondary schools.
- For transition to Resourced Provision Classes, on receipt of the SEND paperwork requesting a place, a member of the teaching team or SEND Manager will arrange to visit the child in their current setting and parents are invited to visit The Grange.
- Children that are joining a Resourced Provision Class have personalised transitions which usually include two or more visits and photographic information as necessary.

14. How will my child be included in activities outside the classroom including school trips?

- Risk assessments are carried out and reasonable adjustments are made wherever possible to enable children to participate in their class trips.

15. How will I be involved in discussion about my child's education?

All parents/carers are encouraged to contribute to their child's education. This may include:

- Discussions with class teacher (at Parent Consultation Evening) and where appropriate with SEND Manager.
- Parents/Carers of children in mainstream that have a SEN Support Plan will be invited to attend a review meeting each term (this meeting may be included as part of a parent consultation appointment)
- For any children with an EHCP, an Annual Review will be held to discuss progress. You will be

provided with a review report before the meeting and you will be given a parents' comments form to fill in. Where appropriate children will have a chance to express their opinions as to how they feel they are getting on at school. Other professional that have worked with your child may also attend the meeting.

16. What are the arrangements for handling complaints for children with SEND?

- If you are unhappy about something regarding your child's education, please contact the school office to arrange a meeting with Mrs Bold. Alternatively, you can ring to arrange an appointment (0151) 9247917.
- If your concerns are not satisfactorily resolved, you should arrange a meeting with Mr Hains (Head Teacher).
- If you remain unsatisfied, please contact the Chair of Governors, Mr Graham Hower
