Children's University Graduation - Monday 16th June 2025

It was a privilege to attend the Children's University graduation of 23 children on Monday at Edge Hill University. Their commitment and dedication to extending their learning through after-school and holiday activities was celebrated in grand style!

Special congratulations to Rose Fairbrother - our only Year Two graduate, to Alice Farrar on receiving the Outstanding Achievement Award, to Alice (again) and Finn Temperton for speaking so passionately about the importance of oracy at The Grange. My sincere thanks as always to Miss Martha McAulay for her brilliant co-ordination of Children's University at our school.

Catch Up Immunisations - Friday 4th July

The children of parents/carers who have consented to catch-up immunisations being administered will have their vaccination on Friday 4th July in school.

Young Artists in Reception Class

I am delighted to announce that several children in Reception Class will have their entries in an art competition called *This Is Me* published in a special book to be released in August. This is a wonderful achievement of which they should be justly proud.

Celebrating Good Attendance

Today's winner of the 100% Attendance Prize for the term to date (100% attendance and no late arrivals) is Evie Pettit-Edge in Class Five and the Class Attendance Award for the week was won by Class Twelve - Well done Evie and Class Twelve. Every child who attends school every day this term without being late once will receive a £10 prize on Friday 18th July.

You can't teach an empty chair!

What's going on in the community?

Please refer to previous newsletters and the 'What's On' section of the school website, for details of activities and events taking place in our community.

Please see the date for a session for parents/carers on Behaviours that Challenge on Tuesday 1st July from 2.25 - 3.15 p.m. in the staffroom - this session will be led by the Mental Health Schools Team.

Please note: We are happy to share information that we receive about events going on for children and parents in the local community. This should not be viewed as an endorsement from the school.

The Golden Table

Congratulations to the following children in the Nursery who were invited to have their lunch at the Golden Table today. Mrs. Delamere and Miss Taylor nominated them for their excellent work, behaviour and attitude: Olivia, Hallie, Willow, Lylah-Rae, Leo, William, Jack and Sadie.

Hot Weather Precautions

In hot weather please apply sun cream to your child before school. Children are encouraged to bring a hat or a cap to school to protect them from the sun on their journey to and from school and on the playground.
