Fire Drill and Lockdown Procedures

- For health and safety reasons, every year we have a number of fire drills to ensure that our procedures are as efficient as they can be should the school ever have to deal with a real emergency situation.
- A lockdown drill has already taken place this year and children will be informed in an assembly prior to the drill if another is to take place. This should help to ensure that no children become distressed during the exercise.

Website

- Please visit our school website regularly www.thegrangeprimary.com especially for the school newsletter every Friday.
- There are shortcut links to Espresso Learning.
- Children also have access to TT Rockstars, Purple Mash, SPAG.com, Maths.co.uk and Spelling Shed.
- We can provide individual log in and password details for the inside cover of your child's Reading Record.
- Working on these websites, particularly with your support, will have a positive effect on your child's learning.

Newsletters

- A detailed weekly newsletter can be found on the school website every Friday. It contains all important information and details of upcoming events.
- Paper copies of the newsletter are available on request from the school office on Fridays.
- It is always best to consult the newsletter before telephoning school as it is likely to contain the information you need.

ParentPay

- Payment for all school activities e.g. lunches, trips and visits etc. needs to be made using ParentPay.
- We no longer accept cash payments. Please be sure to activate your ParentPay account.
- Details of your account can be obtained from the school office.

Letters with a permission slip

- Some letters you receive may require you to send back to school a permission slip.
- Please only send the permission slip back to school and **retain the important information on the letter for future reference.**
- This will help to avoid unnecessary telephone calls to the school office.

Curriculum Overview

In Class 5 we will study these topics:

Autumn 1: Anglo Saxons

Autumn 2: Liverpool Local Study (Geographical)

Spring 1: North America

Spring 2: Vikings

Summer 1: Liverpool Local Study (Historical)

Summer 2: North America

To support your child's learning at home, please encourage them to carry out their own research using books or the Internet. A more detailed outline of topic coverage will be posted on our class page of our website (www.thegrangepriamary.com).

Relationships and Health Education

We now deliver Health and Relationships lessons using Discovery Education's Health and Relationships curriculum. The curriculum covers the **statutory requirements** for teaching primary Health Education and Relationships Education. It contains lessons for teaching all aspects of the guidelines the non-statutory aspects of Primary Sex Education at an **age-appropriate** level in Year Five and Year Six.

Parents have the right to request that their child be withdrawn from Sex Education lessons delivered as part of statutory Relationships and Health Education.

If you would like a copy of an overview of the curriculum for your child's year group, please contact the school office.

Homework

In Class 5 the homework requirement will be as follows:

- **Reading** - Each school night (reading records must be signed by an adult)
- **Spelling** - New spellings will be given each week and tested the following week.
- **Times Tables** - Minimum of 15 minutes during the week on TT Rockstars (children who cannot access TT Rockstars at home will be given a paper based activity).
- **Additional times tables activities** - sometimes additional times tables sheets are send home to support the children's understanding.

Reading, spelling and times tables (TT Rockstars) homework is sent home so that children's learning can be consolidated at home. Sometimes when children are regularly not completing tasks at home, teachers may choose to complete these tasks with children during morning break time or lunchtime.

Reading

Throughout the week your child will bring home reading books from our levelled school reading scheme.

- They will also bring home a **reading record book** which contains vital information about the ways that you can support your child's reading development.
- We require you to read with your child each school night and maintain a dialogue with us through this book.
- A written comment about your child's reading should be made daily. These may include the questions you asked them to check their understanding or how fluently they read or if they had to sound out many words.

Benefits of Reading

A growing number of studies show that promoting reading can have a major impact on children and adults and their future. Upon reviewing the research literature, Clark and Rumbold (2006) identify several main areas of the benefits to reading for pleasure:

- Breadth of vocabulary;
- Positive reading attitudes;
- Greater self-confidence as a reader;
- Pleasure in reading in later life;
- General knowledge;
- A better understanding of other cultures;
- Community participation; and
- A greater insight into human nature and decision-making.
